ANATOMY OF A MISSION STATEMENT

Crossroads College Preparatory School strives to be an exemplary and engaging learning community committed to justice and equity.

- **Strives**
  We are engaged in active and ongoing effort.

- **Exemplary**
  We model high standards for participation and performance from students, faculty, staff, and community.

- **Engaging**
  We intentionally cultivate the attention and commitment of all community members.

- **Community**
  Shared values and characteristics help to forge and support authentic relationships.

- **Justice**
  We aim to create and apply policies, procedures, and practices that produce equitable impacts and outcomes for minority groups.

- **Equity**
  We aim to provide fair access to organizational resources across all identity groups.

- **College Preparatory**
  We equip students with skills, content knowledge, and habits that support post-secondary success.

- **Learning**
  We promote learning — intellectual, social, and emotional — across our academic programs, activities, and relationships.

- **Committed**
  We promote dedication and persistence as vital components of community growth.
