

Crossroads College Preparatory School

COVID-19 Student Self Screening

This student self-screen is to be completed at home before a student comes to school each day. Crossroads is not collecting student self-screening documents, and you should be sure to complete the self-screening daily.

The screening protocol outlined below is based on the following: a review of screening protocols from multiple agencies, recommendations by the CDC, and a literature review of the most common signs and symptoms of COVID-19.

Questionnaire: Answer “Yes” or “No”

<p>In the past 24 hours, have you experienced new or worsening symptoms of any of the following:</p> <ul style="list-style-type: none"> ● A fever (100.4 °F or higher)? ● A sense of having a fever? ● Chills? ● Repeated shaking with chills? ● Headache? ● Sore throat? ● New loss of taste or smell? ● Congestion or runny nose? ● Diarrhea? ● Nausea? 	<p>Yes No</p>
<p>In the past 24 hours, have you experienced any of the following systems that you cannot attribute to another known health condition:</p> <ul style="list-style-type: none"> ● Cough? ● Shortness of breath? ● Sore throat? 	<p>Yes No</p>
<p>Do you have new muscle aches (myalgias) that you cannot attribute to another health condition or that may have been caused by a specific activity (such as physical exercise) or that may be due to physical exertion?</p>	<p>Yes No</p>
<p>Have you been exposed to a household or close family member/intimate partner who has tested positive or who is suspected of having COVID-19 in the past 14 days?</p>	<p>Yes No</p>

Any YES-answer means you should keep your child home. Please contact the Crossroads to report that your child is staying home due to *quarantine* (meaning they are still able to participate in the learning for the day) or due to *illness* (meaning they are not able to participate in the learning for the day).

Attendance may be reported by phone (314-367-8085) or by email (attendance@crossroadscollegeprep.org).
